### Agreement by Host Customer and System Owner:

The Host Customer and System Owner wish to install the Project described on the Reservation Request Form and receive the benefits of the Self-Generation Incentive Program (SGIP). In consideration of Host Customer's and System Owner's participation in the SGIP and the promises set forth below, Host Customer and System Owner agree to the following:

**SGIP Handbook Requirements:** By execution of this document, System Owner and Host Customer each certifies that: 1) they have received and read a copy of the SGIP Handbook; 2) the Project meets all Program eligibility requirements; and 3) that the System Owner and Host Customer agree to abide by the rules and requirements set forth in the SGIP Handbook. Such SGIP Handbook requirements are incorporated herein by reference as though set forth in full in this contract.

**Indemnification:** To the greatest extent permitted by applicable law, Host Customer and System Owner agree to indemnify, defend, and hold harmless the Program Administrator, its affiliates, subsidiaries, current and future parent companies, officers, managers, directors, agents, and employees from all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise), which arise from or are in any way connected with any: (1) injury to or death of persons, including but not limited to employees of the Program Administrator, Host Customer, System Owner, or any third party; (2) injury to property or other interests of the Program Administrator, Host Customer, System Owner, or any third party; (3) violation of local, state, or federal common law, statute, or regulation, including but not limited to environmental laws or regulations; or (iv) strict liability imposed by any law or regulation; so long as such injury, violation, or strict liability (as set forth in (i) - (iv) above) arises from or is in any way connected with this Contract or System Owner's or Host Customer's performance of, or failure to perform, this Contract, however caused, regardless of any strict liability or negligence of Program Administrator whether active or passive, excepting only such loss, damage, cost, expense, liability, strict liability, or violation of law or regulation that is caused by the willful misconduct of Program administrator, its officers, managers, or employees. System Owner and Host Customer shall pay all costs and expenses that may be incurred by Program Administrator in enforcing this indemnity, including reasonable attorney's fees. This indemnity shall survive the termination of this Contract for any reason.

**Limitation of Liability:** Program Administrator shall not be liable to System Owner, Host Customer or to any of their respective contractors or subcontractors for any special, incidental, indirect or consequential damages whatsoever, including, without limitation, loss of profits or commitments, whether in contract, warranty, indemnity, tort (including negligence), strict liability or otherwise arising from Program Administrator's performance or nonperformance of its obligations under this Contract. no later than twice the length of the required warranty; which for wind turbine and fuel cell systems is ten years; unless terminated earlier pursuant to the operation of this Contract, or unless modified by order of the CPUC or by written agreement of the parties.

The Contract may be terminated by Program Administrator in the event (a) System Owner or Host Customer fails to perform a material obligation under this Contract and System Owner or Host Customer fails to cure such default within 15 days of receipt of written notice from Program Administrator of such failure to perform a material obligation, or (b) any statement, representation or warranty made by System Owner or Host Customer in connection with the Program or this Contract is false, misleading or inaccurate on the date as of which it is made.

The termination of this Contract shall not operate to discharge any liability, which has been incurred by either party prior to the effective date of such termination.

**Venue:** This Contract shall be interpreted and enforced according to the laws of the State of California. Sole jurisdiction and venue shall be with the courts in Los Angeles County, California.

Parties as to its subject matter. It supersedes all prior or contemporaneous contracts, commitments, representations, writings, and discussions between System Owner, Host Customer, and Program Administrator, whether oral or written, and has been induced by no representations, statements or contracts other than those expressed herein.

NO AMENDMENT, MODIFICATION OR CHANGE TO THIS CONTRACT SHALL BE BINDING OR EFFECTIVE UNLESS EXPRESSLY SET FORTH IN WRITING AND SIGNED BY PROGRAM ADMINISTRATOR'S REPRESENTATIVE AUTHORIZED TO SIGN THE CONTRACT.

The Host Customer and System Owner are committed to completing this Project, and by signing below, are stating their intent to contract with any individual(s) necessary for completion of the Project. The Host Customer is the reservation holder and reserves the right to submit new project specifications, including a new Applicant designation, upon withdrawal from the Project and cancellation of this Agreement. The undersigned declare under penalty of perjury under the laws of the State of California that 1) the information provided in the Reservation Request Form is true and correct, 2) the above-described generating system is new and intended to offset part or all of the Host Customer's electrical needs at the site of installation.
